S.No.506/B-2b Extent 0-42 cents - of Bellary town was alienated in favour of the Municipal Council Bellary, in B.P.Misc.458 dated 4.3.1925, on condition of maintaining the well in the land in good order and to keep the well for the use of the public. This field is now denoted as S.No.506 I and not as S.No.506C. But the Tahsildar of Bellary mistook the well in S.No.506C as the well which was alienated and submitted proposals for its resumption ~~thr~~ on the ground that it was in the possession of the Jail department to the exclusion of the public. Accordingly a report was submitted in this office R.C.60/36 A-1 dated 21.3.36, recommending the resumption of the land. The Board sanctioned the resumption in B.P.Misc.1202 dated 6.4.1936. The well in S.No.506/B-2b, now denoted as S.No.506 I is reported to be in good condition and still in use by the public. It has also been applied for by the Executive Engineer to be attached to the quarters of the Superintendent, Central Jail. I recommend, therefore, that the resumption orders passed in B.P.Misc.1202 dated 6.4.1936, may be cancelled.
